Statement Against Racism

To our Homer Community Members,

Racism and hate have no place in any community or in our world. The inequities that cause so much injustice, poverty and suffering must be rectified and as an organization, we are committed to providing an environment that is welcoming, inclusive and equitable.

We are disheartened at the recent events that have encompassed many of our communities and we stand in unity with our staff, neighbors and community partners in working to end racism and inequity. The Library is a pillar of safety, inclusion, diversity and democracy.

The Homer Township Public Library, does not condone behavior that threatens the safety of others, nor does it support bigotry, sexism or racism. We believe in learning and education, creating a welcoming environment, and working with community partners to meet the needs of our population. Information is essential for fostering change and acceptance. Visit the library for resources that support conversations on race, racism and resistance.

Please know the Homer Township Public Library is here to support you now and always.

Sincerely,

Sheree Kozel-La Ha
