## SUCCESSFUL GRANT WRITING CONTINUES!

Opening the Library mail these days brings good news. Six additional LSTA grants submitted this fall to the Illinois State Library have been funded! The Homer Township Public Library has submitted 22 grant applications over the past year. Eleven of them have been funded and four grants are still pending notification. We are grateful to the Illinois State Library and Illinois State Librarian Jesse White, for providing grant opportunities which help the Library to continue providing the best for its patrons!

**Technology Position (\$49,485)** The first grant will fund a technology position, which will be shared by three libraries; Homer Public Library, New Lenox, and Wilmington. When writing the grant, Homer sought other libraries for a unique partnership.

**Focus on the Community-We're Listening (\$4,900)** The Library is planning a spring 2002 referendum and is eager to solicit resident input for future long-range planning that includes adding space to already cramped library areas. A professional consultant will direct the process to learn how residents view the Library, including what they need and want. This will target and bring in various user groups to gather as wide and varied a feedback response as possible.

**Diversity Training (\$4,900)** The third grant will provide diversity training for library staff.

**Crisis Management and Safety Planning (\$4,900)** The fourth grant is for crisis management and safety planning at the Library, an especially current and meaningful topic.

**Personnel Development in Key Areas (\$4,900)** The fifth grant is for personnel development and growth in key areas, particularly important as more staff is hired to provide enhanced patron service.

**Bringing Heritage Alive (\$6,600)** A sixth grant established a core genealogy collection, including a computer and software at the Library. The Library included School District 33-C as a partner, and this successful grant funded several quality Library programs brought to Junior High Students.

With a tax-capped Library budget, grant opportunities are very important. These awards (more than \$157,000 this past year!) help us create stronger connections between the Library and community organizations, schools, and our residents, benefiting all. Plans to initiate new services, purchase needed equipment, test pilot projects, fulfill library community dreams, and support the needs of our patrons are underway with several more grants being written.

## REFERENDUM NEWS

The Library Board has determined that in order to continue serving our community well and continue to have space for new materials, we will need to add an addition onto the existing library. With several years of planning behind us, we will pose an 8¢ bond question to the voters in March 2002, to support adding more space. We continue to make positive changes to our departments, collections, and programs in order to give our community the best in information services and materials.

As our community grows, it is important that the Library adds space for quiet areas, to support collection growth, and to have a defined program room. The Library will hold community referendum meetings on February 11th at 7 p.m., February 23rd at 11 a.m. and March 6th at 7 p.m. Learn about our space limitations and the impact on services that we are facing. Call (708) 301-7908 to register to attend a meeting, learn about the Library, and help get the word out. Questions welcome! More information is available on the Web at [www.homerlibrary.org](http://www.homerlibrary.org). **VOTE MARCH 19th**

## TRUSTEE OF THE YEAR

The Homer Library Board of Trustees is pleased to announce that Board President Barry Levine has been named Trustee of the Year 2001 by the Illinois Library Association (ILA).

This award recognizes a trustee's distinguished service, achievement, leadership, and commitment to libraries at the national, state, and local levels. The citation is given to those who are instrumental in raising library standards and services in the State through outstanding service to public libraries.

Barry recently received his award in Springfield while attending Trustee Day during the ILA Conference. Honored by his colleagues, Barry is quick to share credit with fellow board members and library employees for their vision and effort. Active in the community, Barry and his wife, Phyllis, recently opened Functional Therapy and Rehabilitation, an outpatient therapy clinic in Homer Glen.

With Barry's support the Library has established homebound delivery services, implemented assistive computer software and other devices such as a large print reader, and we continue to investigate other tools to fully support all of our community of users. Congratulations, Barry!

# KIDS CORNER

## TEEN TUESDAYS

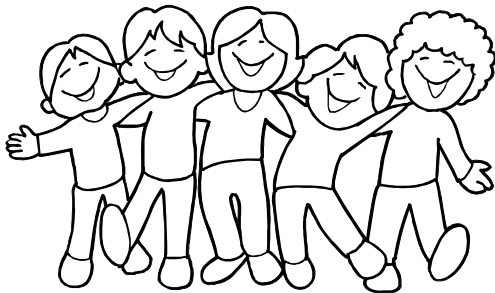

Need online computer time and tips? The Library's computer lab will be open to students in grades 7-12 from 6:30 p.m. to 8:30 p.m., with a trainer available on selected Tuesdays. Learn search strategy and tips, visit some cool sites and get research assistance. The schedule is being confirmed; contact Sara, at (708) 301-7908 for details.

## YAC IT UP

What programs should the Library have for teens? What books, music, and magazines would you like to see? Be a part of the Youth Advisory Committee and share your thoughts with us. Calling all students in grades 6 and up - become a part of our decision making team! Leave your name at the Circulation Desk and you will be notified of the next meeting.

We require that all parents or care givers of STORY TIME children remain in the building during the program so they will be available if necessary for their child.

## STORY TIME

Story Hour can help children develop better listening skills and prepare them for more structured activities. Our winter sessions will run for eight weeks each. Children must be 3 years of age at the beginning of the session. In-person registration begins at 8:30 a.m., and phone registration will begin at Noon.

## TODDLER TIME

In relaxing weekly sessions, an Education Service Network staff member promotes parent-child interaction using books, songs, rhymes, and creative movement. **Lapsit** is designed for parents and children up to age 3. The instructor will be here on Wednesdays at 9:30 a.m., 10:15 a.m., and 11:00 a.m. Come and join us in promoting early learning! Registration is required.

- ◆ Toddler time begins Jan. 16th - Feb 27th  
Registration begins Jan. 14th

## COMMUNITY FOCUS GROUPS

What do you value and want us to continue? We hope to gather this information via community focus groups this winter. There is no other institution in Homer Township that affects more lives than the Public Library. It is an important educational and essential resource for the thousands of residents in the community, including seniors, youth, business professionals, students, educators, parents, and families.

We truly have something for everyone, and we can assist you from birth through your senior years. Whether you use us to research health concerns, browse more than 250 magazines and newspapers, look up parenting information, paint or tile your home, research your family tree, enjoy the educational computers, "listen" to an audio book from our collection of 2700 titles, read a large print book, or help your child learn about responsibility... we have something for YOU.

Interested in helping us further define our direction, including space considerations for the future? We welcome your participation in our upcoming focus groups! We want to hear from YOU! Focus group sessions will be held later this winter, dates are being confirmed. If interested contact Library Director Sheree Kozel-La Ha at (708) 301-7908.

## JOIN THE FRIENDS OF THE LIBRARY

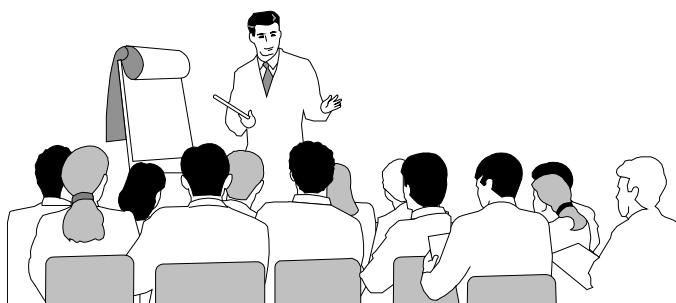

A strong library is essential to the health and growth of the community. Many members of the community actively support the Library by volunteering, sponsoring events, raising funds, and community awareness of Library events, soliciting support, and generally fostering a love of reading for all. A non-profit, volunteer organization, Friends of the Homer Twp. Library (FOHTL) is your opportunity to support your library. Join today and watch your contribution have an impact in your hometown!

### Benefits to you!

You'll feel great knowing your membership dues help the Library continue providing the best for its Homer Township residents. You'll also enjoy the company of people who share your love for libraries at several "Members Only" meetings during the year.

If you'd like to join the Friends of the Homer Township Public Library District, please request an application at the Circulation Desk or on the Web at :

<http://www.homerlibrary.org/forms/friends.html> and bring it into the Library. Call (708) 301-7908 for more information.

## PRACTICE PALS

Young adult volunteers assist with our new program called **Practice Pals**. These volunteers peer-coach younger children with reading and math skill drills via educational games geared to each particular skill. Youth are paired together, with a Librarian overseeing the process. It's a fun way to develop leadership and self-esteem for older youth and support younger children. We will meet on selected Saturdays from 10 a.m. to Noon, beginning January 12th.

## WHAT'S HAPPENING IN THE COLLECTION

**New Youth Videos** - Enjoy the many new videos added to the Children's area, including Disney classics and others! Located adjacent to the cassettes and tapes on the west wall, the collection has recently been updated. All videos are free and may be checked out for 2 weeks.

**General Videos** - Videos in the general collection will soon be relocated...as you search the nonfiction collection please note that our videos will be sitting within the book collection. For example, as you look at a gardening book you may also find several gardening videos sitting on the shelf. And we have subject and title lists of the video collection to help you quickly and easily locate your topic!

**New Magazines** - Many new titles have been added! They include Bicycling, Biography, BMX, Bookbag, Budget Travel, Cooking Light, Family Tree, Gamepro, Home Education, Hot Rod, Instructor, Knitters, Mailbox, Nick Jr., School Library Journal, Taste of Home, Teacher Magazine, Teen Vogue, and Where to Retire, to name a few!

**Parent/Teacher Self** - These great materials are being expanded and will be relocated adjacent to the Information Desk (where the video collection used to be). As we continued to add to this collection, we found it needed more space. Please feel free to suggest your favorite resource for this area.

### The Americans with Disabilities Act

The Homer Township Public Library District is subject to the requirements of the Americans with Disabilities Act of 1990. Those planning to attend a program who need special accommodations or who have a question regarding Library accessibility are requested to contact the Library Director at (708) 301-7908; [skoziel@homerlibrary.org](mailto:skoziel@homerlibrary.org) at least seven working days prior to the event.

## SUNDAY HOURS

After a summer hiatus our Sunday hours have resumed from 5:00 p.m. to 9:00 p.m. and are back in full swing! Sunday hours will continue until Memorial Day. Evening hours have been very successful, and we urge you to enjoy an evening at the Library with your family!

## NEED INFORMATION?

### ASK A LIBRARIAN!

- ◆ How can I adopt overseas?
- ◆ Is this Web site reliable?
- ◆ How is my new car rated for safety?
- ◆ How do I write a cover letter for my resume?
- ◆ I need to give a speech, what's a great quote to use?

We can assist you with the many questions you have. If you need business information or are curious about anything, just ask a librarian.

### We are accessible in several ways...to help you!

- ✓ Call us at (708) 301-7908,
- ✓ Visit the Library at 14320 W. 151st Street,
